PROFESSIONAL SUMMARY

Graphic designer with over 3 years of freelance experience and 8 months in-house at a fintech brand, specializing in social media design, brand identity, and marketing creatives. Delivered 80+ thumbnails, 30+ carousel and static decks, and custom iconography for KoinX, alongside logo and cover art work for 11+ independent freelance clients. Proficient in Adobe Photoshop, Illustrator, Figma, and Canva, with a growing focus on UI/UX design systems.

SKILLS

Design: Social Media Design, Brand Identity, Logo Design, Cover Art & Thumbnails, Poster Design, Photo Manipulation, Art Direction, Basic Illustration, Layout & Typography

Tools: Adobe Photoshop, Adobe Illustrator, Figma, Canva

Languages: English, Hindi, Gujarati

EXPERIENCE

Social Media Graphic Designer, KoinX

Dec 2025 - Jul 2026

Fintech / Crypto Tax Platform

- Designed 80+ social media thumbnails and 30+ educational carousel and static posts explaining crypto tax concepts, using Adobe Photoshop and Figma.
- Built a consistent visual structure for carousel posts, reused across decks to keep every post on-brand and easy to produce quickly.
- Created custom icons and illustrations for the brand.

Freelance Graphic Designer, Nosfera Clothing

Nov 2024 - Jan 2025

Streetwear Apparel Brand - Freelance Project (2 months)

- Designed 13+ clothing concepts and managed the brand's first t-shirt design through to launch, working closely with the founders.
- Built out the brand's visual identity end-to-end, including logo, tech packs, colour grading of product photography, and carousel posts for launch marketing.

Freelance Graphic Designer, Independent Clients

Nov 2024 - Present

11+ Clients - Local Businesses, YouTubers & Brands

- Designed logos, brand identities, cover art, banners, and thumbnails across a range of client briefs.
- Delivered creative solutions tailored to individual client needs, managing design revisions and turnaround independently.
